

Government of the District of Columbia
Department of Health

Radiation Protection Division

Dear Applicant:

The District of Columbia Municipal Regulations for Radiation Protection require that all companies or persons who supply, install, or repair dental, medical, analytical, or surveillance radiation machines be registered with the Department of Health.

The District of Columbia Department of Health's Radiation Protection Division is the designated Office responsible for implementing and enforcing the District's Radiation Protection Regulations. In order to insure that all applicable persons are in conformance with the licensure requirements, we have enclosed an application for registration. Please return the completed application. An annual fee of **One Hundred Dollars (\$100.00)** in the form of a **check** or **money order** made payable to the **D.C. Treasurer** is also required.

If additional information is required, please contact me on (202) 741-7686.

Sincerely,

Gregory B. Talley, Program Manager
Radiation Protection Division
