**Source for non-homicide data:** Criminal Justice Information System (CJIS) data as of 07/18/12. Totals are based solely on the top arrest charge. One person may be booked on more than one arrest charge.

**Source for homicide data:** Homicide Branch (HB) as of 07/18/12.

For the purposes of the CJIS Weekly Arrest Report, the term "juvenile" used above is defined as individuals under the age of 18 years ( $\leq 17$  years of age). These "juvenile" totals may include Title 16 cases where juveniles are tried as adults.

\*N/C\* = Not calculable, division by zero is not allowed.

The above non-homicide arrests reflect arrests made by all agencies in the District of Columbia.

Enhancements were made to the Records Management System in 2010 in attempt to re-classify the charges that had previous been coded as "other felonies" and "other misdemeanors". As a result, it appears that arrests in some categories increased significantly, but it is likely the result of better classification.

MPD is currently transitioning data from the old server (RMS) to the new server (iLeads). Therefore, some arrest data may be not captured due to problems associated with the data transfer until August 2012.
