

HELP KEEP DC CLEAN

A clean city is essential to the health and safety of our residents and the economic vitality of our neighborhoods. Everyone shares responsibility for maintaining a clean and green city! The Department of Public Works and the Mayor's Office of the Clean City will continue to lead DC's litter prevention efforts, as keeping the city clean is central to their mission. But, Metropolitan Police Department officers, with their round-the-clock presence on the streets, will also help deter people from littering.

New Littering Enforcement

On August 1, 2014, MPD will launch citywide enforcement of the District of Columbia's anti-littering laws, expanding it from the current pilot program in the Fourth and Sixth Police Districts. Officers will be issuing a Notice of Violation (NOV) to any pedestrian observed littering.

For the month of August, MPD will issue warnings to violators in the First, Second, Third, Fifth, and Seventh Districts as we work with community partners to educate the public on littering enforcement.

Beginning September 1, 2014, anyone violating the District's littering law may be issued a \$75 ticket or they can be arrested.

- 🍃 If an officer sees you dropping garbage, trash, debris, or any other kind of discarded material on public space, in waterways, or on someone else's private property, you may receive a \$75 Notice of Violation for littering.
- 🍃 If you are issued an NOV for littering, you are required to provide an accurate name and address to the officer. If you refuse or fail to provide an accurate name and address, you can be arrested. Upon conviction, you will be fined an additional \$100 to \$250 by the DC Superior Court.
- 🍃 Failure to respond to the NOV for littering by either paying the fine or appealing the ticket will result in additional penalties.

Continuing Littering Enforcement

During the August warning period, MPD will continue anti-littering enforcement in the Fourth and Sixth Districts by issuing NOVs or making arrests.

Citywide, MPD officers will continue to issue \$100 traffic tickets to the driver of any vehicle observed tossing trash of any kind onto someone else's private property or onto any public space, such as roads or sidewalks.
