CONTACT

<b>Detective Q Wallace</b>	<b>202 724-2483</b>
<b>Synchronized Operations Cmd. Ctr.</b>	<b>202 727-9099</b>

DESCRIPTION

On Saturday, October 8, 2006, the skeletal remains of an individual were discovered in the rear of the 4400 block of Texas Avenue, SE. A forensic composite was created based on the remains. The individual is described as an Asian or Asian-Hispanic male with possible, but slight Caucasian admixture. He is estimated to be in his mid- to late-30s, possibly, but unlikely very early 40s, at the time of death. It is estimated that he was approximately 5'8" - 5'10" in height. The condition of the remains indicate the body had been exposed for approximately a year-and-a-half to three years.

The cause of death has been ruled a homicide. Anyone with information about the victim's identity or any possible suspects in this case is asked to contact **Detective Q Wallace** at **(202) 724-2483** of the MPDC's Violent Crimes Branch or the Metropolitan Police Department's Synchronized Operations Command Center (SOCC) at **202 727-9099**.

**SOCC 202 727-9099**

**EMERGENCY 911**

**NON-EMERGENCY 311**

The Department currently offers a reward of up to \$25,000 to anyone who provides information that leads to the arrest and conviction of the person or persons responsible for any homicide committed in the District of Columbia. Your assistance is appreciated by your community.
