

METROPOLITAN POLICE DEPARTMENT

NOTICE OF PROPOSED RULEMAKING

The Chief of the Metropolitan Police Department (Chief), pursuant to the authority under Section 712 of the Firearms Control Regulations Act of 1975 (Act), effective March 31, 2009 (D.C. Law 17-372; D.C. Official Code § 7-2507.11) (2013 Supp.)), hereby gives notice of the intent to adopt amendments to Chapter 23 (Guns and Other Weapons) of Title 24 (Public Space and Safety) of the District of Columbia Municipal Regulations (DCMR). In addition, the Chief gives notice of the intent to take final rulemaking action to adopt these amendments in not less than thirty (30) days from the date of publication of this notice in the *D.C. Register*.

The proposed rulemaking establishes a renewal process for firearms that, under the Act, were required to be registered with the Metropolitan Police Department (MPD) before January 1, 2011. MPD records indicate approximately 30,000 firearm registrations would be subject to the renewal requirement. Registrants would renew their firearm registrations over the course of two years, with the renewal dates based on the registrant's date of birth. Under the Act, any firearm registration that fails to renew shall be cancelled.

The proposed rulemaking establishes a simple, streamlined process for renewal in new Section 2326: A registrant would be required to appear in person at MPD headquarters; submit fingerprints; confirm possession of the previously-registered firearm, home address, and continued compliance with the Act's registration requirements.

The proposed rulemaking establishes a three-month window for registrants to renew, with an additional 30-day grace period. Registrants that renew more than 30 days, but fewer than 90 days, after the three-month window would pay twice the amount of the \$13 registration fee. Registrants that fail to renew 90 or more days after the end of the three-month renewal window would have their firearm registration cancelled, be treated as a new registrant, and their firearm would be subjected to Section 202 of the Act.

The proposed rulemaking also clarifies the requirements in Section 2319 for executors or administrators of estates that contain a firearm and updates the process and requirements in Section 2320 for registration of a pistol.

In addition, the proposed rulemaking corrects legal citations to the current edition of the D.C. Official Code and updates the fees in Section 2331 related to registration.

A redline showing all proposed changes to the current regulations can be found on the MPD website: <http://mpdc.dc.gov>.
