## Become certified to teach workshops in Project WET, Project Wild, and Project Learning Tree!

Join us for the first combined facilitator workshop offered **specifically** for DC environmental educators! Upon completion of this intensive weekend session that begins at 6pm Friday evening and concludes Sunday at noon, participants will:

- become familiar with three national environmental education curricula
- learn techniques to plan and conduct effective workshops for teachers
- receive facilitator certification and curriculum guides

**For more information about these curricula, please visit:**
