

Route/Corridor	1. Number of Activity Centers Served	1. Notes	2. Size of Activity Centers Served	2. Notes	3. Variety of Land Uses at Activity Centers Served	3. Notes	4. Timing of Development in Activity Centers Served	4. Notes	5. High-frequency transit availability	5. Notes	6. Modal connectivity	6. Notes	7. Connections between National Mall and Activity Centers	7. Notes	8. Number of visitor destinations served	8. Notes
Adams Morgan - H Street NE	High	4 activity centers served: Adams Morgan, Shaw, NoMa, H St NE	High	4 activity centers served: Adams Morgan (L, near-term), Shaw (L, mid-term), NoMa (L, near-term), H St NE (L, long-term)	High	Variety of uses (residential, institutional, retail, employment, nightlife, tourism) at activity centers served	Medium	Serves 2 near-term activity centers: Adams Morgan and NoMa	High	4 Metrorail stations served. 4 activity centers with frequent Metrorbus service and Streetcar.	Low	Duplicates corridors with frequent Metrorbus service and Streetcar	Low	0 connections made	High	6 visitor destinations served: Zoo, Rock Creek Park, U St, African American Civil War Memorial, Union Station, National Postal Museum
Anacostia - Congress Heights via Skyland	High	4 activity centers served: St. E's/Congress Heights, Skyland, Anacostia, Poplar Point	Low	4 activity centers served: St. E's/Congress Heights (L, mid-term), Skyland (M, mid-term), Anacostia (M, long-term), Poplar Point (S, long-term)	Low	Limited mix of land uses at activity centers in the near-term	Low	Serves no near-term activity centers	Medium	2 Metrorail stations served. 2 activity centers have frequent Metrorbus service.	Low	Alabama Ave has frequent Metrorbus service (32, W4)	Low	0 connections made	Low	1 visitor destination served: Frederick Douglass House
Columbia Heights - Washington Hospital Center - Brookland - NoMa	High	4 activity centers served: Columbia Heights, Hospital Center, Brookland, NoMa	High	4 activity centers served: Columbia Heights (L, near-term), Hospital Center (L, mid-term), Brookland (M, near-term), NoMa (L, near-term)	High	Variety of uses (residential, institutional, retail, employment, nightlife, tourism) at activity centers served	Medium	Serves 3 near-term activity centers: Columbia Heights, Brookland, and NoMa	Medium	3 Metrorail stations served. 4 activity centers with frequent Metrorbus service.	Medium	Creates new one-seat ride between Columbia Heights and NoMa. Duplicates corridors with frequent Metrorbus service.	Low	0 connections made	Low	1 destination served: National Shrine of Immaculate Conception
Convention Center - Southwest Waterfront	High	4 activity centers served: Mt. Vernon Sq, Central Washington, National Mall, SW Waterfront	High	4 activity centers served: Mt. Vernon Sq (L, near-term), Central Washington (L, near-term), National Mall (L, near-term), SW Waterfront (M, mid-term)	Medium	Relative variety of uses (employment, tourism, retail) at activity centers served. Mixed uses will increase at SW Waterfront in mid-term.	Medium	Serves 3 near-term activity centers: Mt. Vernon Square, Central Washington, and National Mall	High	5 Metrorail stations served. 4 activity centers with frequent Metrorbus service.	Low	Parallels a Metrorail line and duplicates a corridor with frequent Metrorbus service	High	3 connections made: Mt. Vernon Square, Central Washington, SW Waterfront	High	13 destinations served: Convention Center, Downtown Restaurants, Downtown Shops, Verizon Center, American Art Museum, Newseum, Nat'l Archives, Nat'l Museum of History, Nat'l Gallery of Art, Nat'l Air & Space Museum, Hirshorn, Smithsonian Castle, Freer/Sackler/Nat'l Museum of African Art, Asian Society
Dupont Circle - Georgetown - Rosslyn Extension to U Street/Howard University	High	5 activity centers served: Georgetown, Foggy Bottom, Dupont, Adams Morgan, Shaw	High	5 activity centers served: Georgetown (L, near-term), Foggy Bottom (L, near-term), Dupont (L, near-term), Adams Morgan (L, near-term), Shaw (L, mid-term)	High	Variety of uses (employment, residential, institutional, nightlife, tourism) at activity centers served	High	Serves 4 near-term activity centers: Georgetown, Foggy Bottom, Dupont Circle, and Adams Morgan	High	3 Metrorail stations served. 5 activity centers served have frequent Metrorbus service.	High	Creates a new one-seat connection between Dupont and Shaw/Howard & Rosslyn and Shaw/Howard	Low	0 additional connections made	High	4 destinations served: Georgetown, Rock Creek Park, African American Civil War Memorial, U Street
Dupont - Georgia Ave/Petworth	High	5 activity centers served: Georgia Ave/Petworth, Columbia Heights, Shaw, 14th St, Dupont	High	5 activity centers served: Georgia Ave/Petworth (L, near-term), Columbia Heights (L, near-term), Shaw (L, mid-term), 14th Street (L, near-term), Dupont Circle (L, near-term)	Medium	Variety of uses (residential, institutional, retail, employment, nightlife) at 4 of the 5 activity centers served. However, the Georgia Ave/Petworth activity center does not offer a strong variety of land uses as an anchor.	High	Serves 4 near-term activity centers: Georgia Ave/Petworth, Columbia Heights, 14th Street, and Dupont Circle	High	4 Metrorail stations served. 5 activity centers with frequent Metrorbus service.	Medium	Creates new one-seat ride between Georgia Ave/Petworth and Dupont. Duplicates corridors with frequent Metrorbus service.	Low	0 connections made	Medium	2 visitor destinations served: U St, African Civil War Memorial
Dupont - Southwest Waterfront	High	4 activity centers served: Dupont, Central Washington, National Mall, SW Waterfront	High	4 activity centers served: Dupont (L, near-term), Central Washington (L, near-term), National Mall (L, near-term), SW Waterfront (M, mid-term)	High	Variety of uses (residential, institutional, retail, employment, nightlife, tourism) at activity centers served	Medium	Serves 3 near-term activity centers: Dupont Circle, Central Washington, and National Mall	High	4 Metrorail stations served. 4 activity centers with frequent Metrorbus service.	High	Creates a new one-seat connection between Dupont and SW Waterfront	High	3 connections made: Dupont, Central Washington, SW Waterfront	High	5 destinations: White House, World War II Memorial, Washington Monument, Tidal Basin, Arena Stage
Dupont - U Street/Howard University	Medium	3 activity centers served: Dupont, Adams Morgan, Shaw	High	3 activity centers served: Dupont (L, near-term), Adams Morgan (L, near-term), Shaw (L, mid-term)	High	Variety of uses (residential, employment, institutional, nightlife) at Dupont, Adams Morgan and Shaw activity centers	Medium	Serves 2 near-term activity centers: Dupont Circle and Adams Morgan	Medium	2 Metrorail stations served. 3 activity centers served have frequent Metrorbus service.	High	Creates a new one-seat connection between Dupont and Shaw/Howard	Low	0 connections made	Medium	2 destinations served: African American Civil War Memorial, U Street
Eastern Market - Anacostia	High	4 activity centers served: Penn Ave SE, Navy Yard, Poplar Point, Anacostia	Medium	4 activity centers served: Penn Ave SE (S, near-term), Navy Yard (L, near-term), Poplar Point (S, long-term), Anacostia (M, long-term)	Medium	Variety of uses at Navy Yard and Penn Ave SE. Limited mix of land uses at other activity centers in the near-term.	Medium	Serves 2 near-term activity centers: Penn Ave SE and Navy Yard	Medium	2 Metrorail stations served. 3 activity centers have frequent Metrorbus service.	Low	Corridor has frequent Metrorbus service (90s)	Low	0 connections made	Low	1 visitor destination served: Frederick Douglass House
Fort Totten - Friendship Heights (via Upper Georgia Ave/Brightwood)	Medium	3 activity centers served: Fort Totten, Upper Georgia Ave, Friendship Heights	Medium	3 activity centers served: Fort Totten (M, mid-term), Upper Georgia Ave (M, near-term), Friendship Heights (M, near-term)	Medium	Variety of uses at Friendship Heights. Upper Georgia Ave mainly residential, limited shopping (Wal-Mart). Fort Totten does not offer a strong variety of land uses as an anchor.	Medium	Serves 2 near-term activity centers: Upper Georgia Ave and Friendship Heights	Medium	2 Metrorail stations served. 3 activity centers served have frequent Metrorbus service.	Low	Duplicates a corridor with frequent Metrorbus service all day (E2, E4)	Low	0 connections made	Low	0 destinations served.
Fort Totten - Union Station via NoMa	Medium	3 activity centers served: Fort Totten, Brookland, NoMa	Medium	3 activity centers served: Fort Totten (M, mid-term), Brookland (M, near-term), NoMa (L, near-term)	Low	Fort Totten and Brookland do not have a strong mix of land uses in the near-term.	Medium	Serves 2 near-term activity centers: Brookland and NoMa	High	4 Metrorail stations served. 3 activity centers with frequent Metrorbus service.	Low	Parallels a Metrorail line and duplicates a corridor with frequent Metrorbus service	Low	0 connections made	Medium	3 destinations served: National Shrine of Immaculate Conception, Union Station, National Postal Museum
Georgetown - Union Station Extension to National Cathedral	High	5 activity centers served: Georgetown, Foggy Bottom, Central Washington, Mt. Vernon Square, NoMa	High	5 activity centers served: Georgetown (L, near-term), Foggy Bottom (L, near-term), Central Washington (L, near-term), Mt. Vernon Square (L, near-term), NoMa (L, near-term)	High	Variety of uses (residential, institutional, retail, employment, nightlife, tourism) at activity centers served, though Cathedral area as anchor is primarily residential. Cathedral closes at 5:30 pm.	High	Serves 5 near-term activity centers: Georgetown, Foggy Bottom, Central Washington, Mt. Vernon Square, and NoMa	High	4 Metrorail stations served. 5 activity centers with frequent Metrorbus service.	Medium	Connects 5 activity centers and the Nat'l Cathedral with a one-seat ride. Parallels the Metrorbus 30s on Wisconsin.	Low	0 connections made	High	5 destinations served: Cathedral, Georgetown, Rock Creek Park, Union Station, National Postal Museum
Lincoln Memorial - U Street/Howard University	High	4 activity centers served: National Mall, Foggy Bottom, Dupont, Shaw	High	4 activity centers served: National Mall (L, near-term), Foggy Bottom (L, near-term), Dupont (L, near-term), Shaw (L, mid-term)	Medium	Variety of uses (residential, institutional, retail, employment, nightlife, tourism) at 3 of the 4 activity centers served. However, the National Mall does not offer a variety of land uses as an anchor.	Medium	Serves 3 near-term activity centers: National Mall, Foggy Bottom, and Dupont Circle	Medium	3 Metrorail stations served. 4 activity centers with frequent Metrorbus service.	Medium	Creates new one-seat ride between lower Foggy Bottom/Lincoln Memorial and U St. Duplicates corridors with frequent Metrorbus service.	Medium	3 connections made: Foggy Bottom, Dupont, Shaw	High	4 visitor destinations served: Lincoln Memorial, Kennedy Center, U St, African Civil War Memorial
Minnesota Avenue - Skyland	Low	2 activity centers served: Minnesota Ave & Benning Rd, Skyland	Low	2 activity centers served: Minnesota Ave & Benning Rd (M, long-term), Skyland (M, mid-term)	Low	Lack of a strong land use mix at either activity center. Some mixed uses at Minnesota Ave Metro but limited at Skyland.	Low	Serves no near-term activity centers	Medium	1 Metrorail station served. 2 activity centers with frequent Metrorbus service and Streetcar.	Low	Duplicates a corridor with frequent Metrorbus service	Low	0 connections made	Low	0 destinations served.
National Cathedral - McPherson Square (Overlap with Shortened Georgetown - Union Station)	Medium	3 activity centers served: Georgetown, Foggy Bottom, Central Washington	High	3 activity centers served: Georgetown (L, near-term), Foggy Bottom (L, near-term), Central Washington (L, near-term)	High	Variety of uses (residential, institutional, retail, employment, nightlife, tourism) at activity centers served, though Cathedral area as anchor is primarily residential. Cathedral closes at 5:30 pm.	Medium	Serves 3 near-term activity centers: Georgetown, Foggy Bottom, and Central Washington	Medium	3 Metrorail stations served. 3 activity centers have frequent Metrorbus service.	Medium	Connects 3 activity centers and the Nat'l Cathedral with a one-seat ride. Parallels the Metrorbus 30s.	Low	0 connections made	High	4 destinations served: White House, Rock Creek Park, Georgetown, Cathedral
National Mall	Low	2 activity centers served: National Mall, Central Washington	High	2 activity centers served: National Mall (L, near-term), Central Washington (L, near-term)	Medium	Variety of uses (residential, institutional, retail, employment, nightlife, tourism) near Union Station (Central Washington activity center), but primarily tourism at National Mall.	Medium	Serves 2 near-term activity centers: National Mall and Central Washington	Medium	2 Metrorail stations served. 1 activity center has frequent Metrorbus service.	Medium	Some existing, frequent Metrorbus service connects the activity centers, but Circulator will provide more thorough connections throughout the National Mall.	Medium	1 connection made: Central Washington	High	20 destinations served: Union Station, US Capitol, Nat'l Gallery of Art, Nat'l Museum of Natural History, Nat'l Air & Space Museum, Hirshorn, Smithsonian Castle, Freer/Sackler/Nat'l Museum of African Art, Nat'l Museum of the American Indian, Washington Monument, Vietnam Veterans Memorial, Lincoln Memorial, Korean War Memorial, MLK Jr. Memorial, FDR Memorial, Jefferson Memorial, Tidal Basin, US Holocaust Memorial Museum, Bureau of Engraving and Printing (White House and WWII Memorial also near route)
Potomac Ave Metro - Skyland Extension to Congress Heights	High	6 activity centers served: St. E's/Congress Heights, Skyland, Anacostia, Poplar Point, Navy Yard, Penn Ave SE	High	6 activity centers served: St. E's/Congress Heights (L, mid-term), Skyland (M, mid-term), Anacostia (M, long-term), Poplar Point (S, long-term), Navy Yard (L, near-term), Penn Ave SE (S, near-term)	Medium	Variety of uses at Navy Yard and Penn Ave SE. Limited mix of land uses at other activity centers in the near-term.	Medium	Serves 2 near-term activity centers: Navy Yard and Penn Ave SE	Medium	3 Metrorail stations served. 3 activity centers have frequent Metrorbus service.	Low	Alabama Ave has frequent Metrorbus service (32, W4)	Low	0 connections made	Low	1 visitor destination served: Frederick Douglass House
St. Elizabeth's Campus/Congress Heights - H Street NE	High	6 activity centers served: St. Elizabeth's Campus, Poplar Point, Anacostia, Navy Yard, Penn Ave SE, H St NE	Medium	6 activity centers served: St. Elizabeth's Campus (M, long-term), Poplar Point (S, long-term), Anacostia (M, long-term), Navy Yard (L, near-term), Penn Ave SE (S, near-term), H St NE (L, long-term)	Medium	Variety of uses at H St NE, Penn Ave SE, and Navy Yards activity centers. However, the other 3 activity centers do not have a strong mix of uses in the near-term; increase in mixed uses in long-term.	Medium	Serves 2 near-term activity centers: Navy Yard and Penn Ave SE	Medium	3 Metrorail stations served. 4 activity centers with frequent Metrorbus service and Streetcar.	Low	Duplicates corridors with frequent Metrorbus service and Streetcar	Low	0 connections made	Low	1 visitor destination served: Frederick Douglass House
Tenleytown - Silver Spring	High	4 activity centers served: Tenleytown, Friendship Heights, Upper Georgia Ave/Brightwood, Walter Reed	Medium	4 activity centers served: Tenleytown (M, near-term), Friendship Heights (M, near-term), Upper Georgia Ave/Brightwood (M, near-term), Walter Reed (S, long-term)	Medium	Variety of uses at anchors, but limited land use mix in the near-term at Upper Georgia Ave and Walter Reed	Medium	Serves 3 near-term activity centers served: Tenleytown, Friendship Heights, and Upper Georgia Ave/Brightwood	Medium	3 Metrorail stations served. 4 activity centers with frequent Metrorbus service.	Medium	Creates shorter connection between Upper NW and Silver Spring. Duplicates corridors with frequent Metrorbus service.	Low	0 connections made	Low	0 destinations served.
Tenleytown - Van Ness - Columbia Heights	High	4 activity centers served: Tenleytown, Van Ness, Adams Morgan, Columbia Heights	High	4 activity centers served: Tenleytown (M, near-term), Van Ness (S, near-term), Adams Morgan (L, near-term), Columbia Heights (L, near-term)	High	Variety of uses (residential, institutional, retail, employment) at activity centers served	High	Serves 4 near-term activity centers: Tenleytown, Van Ness, Adams Morgan, and Columbia Heights	High	5 Metrorail stations served. 4 activity centers with frequent Metrorbus service.	Low	Parallels a Metrorail line and duplicates corridors with frequent Metrorbus service	Low	0 connections made	Medium	2 visitor destinations served: Zoo, Rock Creek Park
Union Station - Navy Yard Extension to NoMa	Medium	3 activity centers served: Navy Yard, Penn Ave SE, NoMa	High	3 activity centers served: Navy Yard (L, near-term), Penn Ave SE (S, near-term), NoMa (L, near-term)	High	Variety of land uses at all activity centers (residential, employment, tourism) in the near-term	Medium	Serves 3 near-term activity centers: Navy Yard, Penn Ave SE, and NoMa	High	4 Metrorail stations served. 3 activity centers with frequent Metrorbus service.	High	Creates a new one-seat connection between NoMa and Navy Yard	Low	0 additional connections made	High	5 destinations served: Union Station, National Postal Museum, Library of Congress, Capitol Building, Supreme Court
Union Station - Navy Yard Extension to Southwest Waterfront	High	4 activity centers served: SW Waterfront, Navy Yard, Penn Ave SE, NoMa	High	4 activity centers served: SW Waterfront (M, mid-term), Navy Yard (L, near-term), Penn Ave SE (S, near-term), NoMa (L, near-term)	Medium	Variety of land uses at 3 of the 4 activity centers (residential, employment, tourism) in the near-term. SW Waterfront does not have a mix of land uses in the near-term; stronger mixed uses with mid-term development.	Medium	Serves 3 near-term activity centers: Navy Yard, Penn Ave SE, and NoMa	High	5 Metrorail stations served. 4 activity centers with frequent Metrorbus service.	High	Creates a new one-seat connection between SW Waterfront and Barrack's Row/Capitol Hill	Low	0 additional connections made	High	6 destinations served: Union Station, National Postal Museum, Library of Congress, Capitol Building, Supreme Court, Arena Stage
