**Guy Mason Playground
Project Update – November 2014**

Brief Description: The Guy Mason Playground Project will bring a renovated playground and new park amenities to the park, located at 3600 Calvert St., NW, Washington, DC.

Community Engagement:

A summary of **the** community engagement is provided on the project page:
<http://dpr.dc.gov/page/play-dc-guy-mason-playground-renovation> &
<http://dgs.dc.gov/page/dgs-guy-mason-play-dc-playground-project>

Project Updates:

- A. KADCON Corporation, the general contractor, began construction on Monday, August 18, 2014. The playground will be closed during construction. The baseball field, basketball court and Dog Park will remain open.
- B. Construction substantial completion date: December 2014.
- C. Progress to date:
 - a. Storm water management and drainage have been completed.
 - b. Wisconsin hill stabilization has started. Planting to follow.
 - c. Concrete formation will be completed by 11/28/14.
 - d. Wisconsin Avenue side ADA ramp construction will be completed by 12/5/14.
 - e. Hardscape to begin on 11/26/14.
 - f. Water feature installation to begin by 12/3/14.
 - g. Play equipment has been delivered. Footing installation and equipment layout is currently ongoing.

Temporary Closures:

Please note that during the construction of the ADA ramp, there will be some restrictions to pedestrian access to the baseball field from the back parking lot.

Please be advised that the site is under active construction and temporary access restriction is necessary for the safety of residents and contractors.
