Question No.	RFP Section	Question
3	Section C.3.2	Describe the turn-around time for routine test.

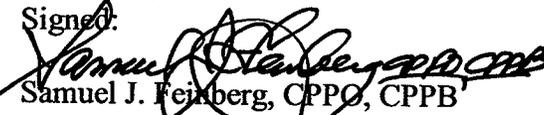

DMH RESPONSE: Section C.3.2 shall be amended to read:

The Contractor shall provide core laboratory services including routine and esoteric laboratory testing. Routine test results shall be provided the same of drawing; 24 hours from the time the lab is ordered by the physician in the electronic system. Therefore it is expected that routine lab results will be provided to the physician within 24 hours of the physician's order.
