

Robbery Prevention

- **If possible, don't walk alone.**

Walk in groups whenever you can — there is always safety in numbers.

- **Stay in well-lit areas.**

Avoid alleys, vacant lots, wooded areas, and other short-cuts or secluded areas.

- **Wear clothing and shoes that let you move easily.**

Don't burden yourself with too many packages or items.

- **Always be aware of your surroundings.**

If you wear headphones/earbuds, play it at a volume that allows you to hear outside noises.
