E. NARRATIVE

On Sunday May 31, 2020 at approximately 1906 hours a large crowd of protesters began vandalizing a MPD marked cruiser at the intersection of 15th and H Street NW. This same crowd was throwing bottles and other various projectiles at the MPD Officers that were in the area around the cruiser. Members of the Special Operations Division, Domestic Security Operations Unit, were called to assist and a MPD CDU line was formed around the cruiser to prevent further destruction of property. While this line was being formed OC Spray was utilized to prevent further assaults on the officers and disperse the crowd that was ignoring the officers commands. This crowd began throwing pyrotechnics at the Officers as well once the line was formed.

This crowd was split in half on H Street NW and the CDU line began taking projectiles to include rocks and bottles from both the East and West side of them. At this time munitions were deployed to disperse, distract, and disorient the rioters and prevent any further assaultive behavior and significant property damage. The crowd in the 1400 Block of H Street NW began vandalizing multiple cruisers parked in the block. They were breaking windows, spray painting the cruisers, and removing property from within these vehicles. A CDU line was formed at 15th and H Street NW and moved the riotous crowd eastbound to 14th St NW to prevent any further property damage to the marked cruiser to include them being set on fire. While this crowd was being moved to 14th Street NW they continuously threw multiple projectiles at the officers. Munitions were deployed while moving the crowd eastbound to prevent any further injuries to officers and significant property damage. OC Spray and mechanical force was deployed by members of SOD and CDU while moving this crowd eastbound in the block.

At 1909 hours Officer [REDACTED] of DSO was at the intersection of 16th and [REDACTED]

E. NARRATIVE

K Street NW and observed an individual in handcuffs running on the south side of the intersection in the eastbound direction on K Street NW. This individual was being chased by other MPD officers. Officer [REDACTED] utilized a joint tactical take down along with other MPD members to apprehend the handcuffed individual. Mechanical force was used to move this individual westbound in the block. This individual continued to refuse orders the entire event.

At 1923 hours while the CDU line was being held at 14th and H Street NW preventing westbound pedestrian traffic a protester was observed walking eastbound in the 1400 Block of H Street NW. This subject was walking towards the rear of the police line and was ordered multiple times by MPD Officers to turn around and leave the block. Additionally the subject was carrying an open umbrella and visibly irate. He refused to comply with commands and displayed aggressive behavior while attempting to continue eastbound towards the rear of the CDU line.

At 1936 hours at the intersection of 14th and H Street NW a subject in the crowd was observed breaking up the bricks on the ground to use as possible projectiles. While affecting the arrest of the subject hand controls were used in the 1400 Block of H Street NW.

At 1937 hours a CDU line was formed in the 800 Block of 14th Street NW preventing northbound pedestrian traffic. The crowd to the south of the police line were causing property damage in the area and throwing projectiles at police officers. A group of this crowd attempted to enter an alley on the west side of the street and come out on the rear of the police line. Munitions were deployed to prevent this crowd from approaching the rear of the police line and prevent any further injuries or significant property damage.

E. NARRATIVE

At 1939 hours the intersection of 15th and H Street NW was "boxed" out by CDU lines preventing pedestrian traffic in all directions. An individual traveling northbound on a bicycle entered the intersection behind the line of Officers. Officer ██████████ utilized mechanical force to push the individual out of the intersection causing him to fall on the ground with the bicycle.

At 1940 hours a subject in the crowd was observed throwing a bottle at backs of the officers on the CDU line on the West side of the intersection of 15th and H Street NW. When officers attempted to stop the subject in the 700 Block of 15th Street NW and place her in handcuffs, she fell to the ground and began kicking at the officers. A tactical take down and hand controls were deployed as to prevent injury to any officers and the subject of arrest.

At 2117 hours a police line that was at 15th and H Street NW was moving backwards southbound on 15th Street NW. This was an attempt to safely remove Officers from the intersection and allow pedestrian traffic to flow. When the CDU line reached 15th and Pennsylvania Ave NW the crowd to the north of the line began throwing bottles and other projectiles at the line. The crowd began surrounding the Officers at which time OC Spray was deployed to disperse the crowd from encircling the officers and preventing further injuries to the officers as well as significant property damage to the MPD vehicles in the immediate area.

At 2120 hours the CDU line that was moving southbound from 15th and H Street NW formed at 15th and Pennsylvania Ave NW to prevent southbound pedestrian traffic. There were multiple MPD cruisers parked south of the police line and the crowd north of the police line had been vandalizing and destroying vehicles and property earlier in the day. While MPD was attempting to hold the line and move the cruisers out of the

block the riotous crowd continuously threw bottles, rocks, and other projectiles at the officers, injuring at least one officer. Munitions were deployed to prevent any further assaults on police officers and significant property damage.

At 2242 hours members of DSO and CDU formed a police line at 14th and H Street NW. There were multiple riotous groups in the area and this police line was being used to move one of these groups in the westbound direction away from the city center shopping complex. The police line moved the group westbound to Vermont Avenue NW. This group was destroying property in the area as well as throwing projectiles at police officers. Munitions were deployed to disperse and move the crowd and prevent further injuries and significant property damage. At 2248 hours this riotous group began to move northbound in the 800 Block of Vermont Ave NW. There were multiple MPD cruisers in this block. The CDU line moved this crowd northbound in the block to prevent further damage to the MPD vehicles and formed a police line at Vermont and I St NW preventing southbound pedestrian traffic. The crowd on the north side of the police line was causing significant property damage to property and vehicles in the area. Munitions were deployed to prevent further damage.

At 2252 hours a vehicle was set on fire in the 1500 Block of I Street NW. At 2259 hours a CDU line was formed and began moving westbound in the 1500 block of I Street NW to create a safe path for DCFD to extinguish the car fire to prevent further structure fires. While the CDU line was moving westbound the riotous crowd was throwing multiple projectiles at the officers including rocks, bottles, and pyrotechnic fireworks. Munitions were deployed to prevent further injuries and significant property damage. Westbound of the vehicle fire there was an additional MPD cruiser that had been set on fire and an additional vehicle that was flipped on its side.

and vandalized. This CDU line moved westbound to 16th Street.

At 2310 hours, Lt. [REDACTED] was in the 800 Block of K Street NW outside of the rear entrance of the Apple Store. There were multiple subjects actively looting the store and were observed entering and leaving the store from the rear entrance. To prevent further significant property damage, rioting, and looting Lt. [REDACTED] deployed OC spray on subjects on the steps of the entrance. Lt. [REDACTED] was the solo MPD member on the scene and there were numerous rioters around him.

At 2312 hours a CDU line moved northbound from 16th and I Street NW to 16th and L Street NW. This CDU line was moving the riotous crowd that was destroying property in the area and setting fires.
