E. NARRATIVE

On Tuesday June 23, 2020 at approximately 1010 hours members of the Special Operations Division, Domestic Security Operations Unit, along with MPD Civil Disturbance Units were assigned to assist DPW in removing various debris and encampment materials from the 1500 Block of H St NW. At approximately 1015 hours a member of the BHAZ (Black House Autonomous Zone) picked up a metal chair and began threatening Officers on the CDU line. The subject took an aggressive stance and OC spray was deployed in an attempt to prevent any assaults to MPD members and affect the arrest of the individual.

At Wednesday June 24, 2020 at approximately 0145 hours, members of the BHAZ blocked the intersection of 16th and I St NW. The individuals were dragging bike racks, trash cans, chairs and other objects and debris into the intersection. The subjects were ripping off plywood in area businesses to add to the barricade/encampment. A CDU member in the area observed subjects possibly entering one of the closed businesses. CDU members approached the intersection and observed subjects entering the premises of the St Regis hotel and removing chairs and a ladder to add to the encampment. Members of CDU stopped two individuals and while in the attempt to affect an arrest, the crowd surrounding them, became agitated and began throwing bottles, rocks, cinder blocks, smoke bombs and other objects at all MPD in the area. At this time Chief Carroll authorized the deployment of munitions to disburse the crowd and prevent any injuries to MPD members and citizens.

Munitions were deployed at the intersection and CDU units began marching eastbound in an attempt to move the crowd in the 1500 Block of I St NW. The crowd continued to throw objects at the officers while they moved eastbound in the block. The officers reached the intersection of 15th and I NW and formed a police line to prevent the crowd from traveling

west. During this time the crowd threw various objects at the Officers and lit a trashcan on fire at the intersection. Munitions were deployed to disperse the crowd and prevent injuries. A member from the crowd threw a lit Molotov cocktail towards the line of officers, at this time Lt. [REDACTED] requested CDU 22 in hard protective gear to respond to the front of the police line.

CDU 22 marched eastbound to push the crowd past the fire on the south side of the intersection. Members of the crowd were observed in the 1400 Block of I Street NW pulling bike racks and trashcans into the block and removing dumpsters from the north alleyway and rolling them to the intersection of 14th and I NW. CDU 22 moved eastbound past the alleyway and observed a subject lighting both dumpsters on fire at the intersection of 14th and I St NW. Munitions were deployed to disperse the subject. Once the dumpster fires were extinguished, multiple Molotov Cocktails were recovered from inside one of the dumpsters.

No MPD members or subjects of arrest or public reported any MPD related injuries at the time.

The following munitions were deployed by DSO from 16th and I St NW to 14th and I St NW: OC Stingballs, 40mm Stingballs, 40mm Rubber Baton, 40mm Aerial Bursts, 40mm OC Skat Rounds
