OFFICER OF THE YEAR

{ Presented to MPDC sworn, full-time member(s) below the rank of Chief, for exceptional achievement in any police endeavor, including valor, crime prevention, investigative work, community policing, traffic safety, drug control and prevention, juvenile programs, and training programs. }

Detective David Swinson
Office of Superintendent of Detectives, Third District

Citizens of the District of Columbia have much to be thankful for in the work of the Detective David Swinson. A nine-year member of the Department, Detective Swinson has had a remarkable career, evidenced in the past twelve months by his dedication to closing more than 100 burglary cases and four illegal fencing operations, netting the recovery of more than \$100,000 in stolen property. Perhaps most important, his record of solid burglary investigations has led to the successful prosecution of numerous serial burglars, removing them from the District's streets for long periods of time.

Although the Third District has benefitted most from his exhaustive efforts, it is not the only region of the city touched by Detective Swinson's long hours and dogged determination. Indeed, his successes have resulted in burglary closures in all seven police districts. His supervising officer, Sergeant James Somers, wrote in nominating him for this prestigious award, "To say Detective Swinson is the best burglary detective in the city is an understatement. He is by far the most knowledgeable and most successful burglary detective in the [metropolitan] area. He continues to distinguish himself well above his peers and sheds a very positive image, not only in the Office of the Superintendent of Detectives, but the Department as a whole." In fact, the sergeant often receives queries from surrounding police agencies as to how Detective Swinson is so successful at his craft.

EMPLOYEE OF THE YEAR

{ Presented to MPDC full- or part-time civilian employee(s) for outstanding performance, leadership, innovation, problem solving or consistent excellence. }

Anne C. Grant
Office of Organizational Development

While her tenure at the MPDC may be relatively brief, Anne Grant has made a significant impact on the Department's efforts to provide quality service to the residents of the District. As a Policy Analyst with the Office of Organizational Development, she has been the lead staff person on a major project to redraw the Police Service Area (PSA) boundaries.

In addition to analyzing data and "crunching numbers," she developed detailed documentation of the work process involved in reengineering the new PSAs and provided informative briefings to the Chief and his Command Staff. Ms. Grant has also briefed the Mayor, City Council, and Office of other DC officials, and—perhaps the toughest crowd—the citizens of Washington's neighborhoods on the new plan.

Over the past year, Ms. Grant was also responsible for helping the Department to report more detailed clearance rates for all Part I crimes, implementing a new system to collect and report this data. In this effort, she developed a concise Special Order and Standard Operating Procedure to codify the new system, as well as worked with Investigative Review Officers and others to ensure they understood the process fully.

Ms. Grant has approached these and other projects with technical proficiency, professionalism, and customer service.

DISTINGUISHED SERVICE MEDAL

(LIFETIME ACHIEVEMENT SERVICE AWARD)

Presented to career MPDC employees or recent retirees who, throughout their careers, have exemplified the qualities of dedication, commitment and service to others in furthering the Department's mission.

William "Bill" Gresham
Photography Laboratory, Corporate Support

Spanning a career of over 33 years, Mr. Bill Gresham has served the Metropolitan Police Department's Photography Laboratory as a capable and talented photographer, developer, printer, and manager.

Mr. Gresham has been responsible for photographing and developing the film for crime scenes as well as serving as the Department's photographer for various special events within the MPDC and in conjunction with the Office of the Mayor.

In all respects, Bill Gresham is a consummate photography professional and the Department has benefitted greatly from his service.

CHIEF OF POLICE AWARD OF MERIT

Presented to employees of other District of Columbia agencies or members of other law enforcement agencies whose actions have significantly enhanced the MPDC's ability to prevent crime, deliver public services or otherwise carry out the Department's public safety mission.
