
District of Columbia Firearms Transfer & Registration

General Requirements
Guide (2020)

Metropolitan Police Department

The Metropolitan Police Department (MPD) is the agency responsible for transferring and registering firearms in the District of Columbia. This guide provides you with the information you need to comply with the District's laws regarding legal transfer and registration of your weapon. By being familiar with the law and the process, you will be able to quickly and easily transfer and register your weapon and ensure that you are in compliance. While this document aims to provide you with what you need to legally transfer, register and possess your firearm, for further interpretation or guidance, you may wish to consult with a private attorney.

As a gun owner, you understand how important it is to be responsible and to follow a few basic rules:(1) always treat every firearm as if it is loaded; (2) never point a firearm in a direction that would injure a person in case of accidental discharge; and (3) keep your finger off the trigger unless you are ready to fire.

The District also encourages you to take the necessary measures to ensure that your firearm is securely stored. Too often our police officers are faced with the devastating realities of gun violence, either intentional or accidental. Having an improperly stored gun in your home can be a significant risk factor for injury and death. In fact, firearm-related injuries are a leading cause of death to children, and include deaths from unintentional injury, homicide, and suicide.

That's why MPD, with assistance from Project ChildSafe, provides a gun lock free of charge for each gun registered in the District of Columbia. The locks are simple to use and easy to install. Gun owners are strongly encouraged to use a gun lock to reduce the likelihood of accidental injury or death. In addition, it is illegal in the District of Columbia for any person to possess a firearm in the home if a minor under the age of 18 is likely to gain access to a firearm without the permission of the parent or guardian, unless the registered owner complies with the storage provisions outlined in Part III, Section 7 of this guide.

IMPORTANT THINGS TO REMEMBER

Key Terms Used in this Guide

- D.C. Official Code: The laws of the District of Columbia. Individuals may access the current Code online at code.dccouncil.us.
- FFL or Federal Firearms Licensee: An entity authorized by the U.S. government to sell and buy firearms.
- FRB or Firearms Registration Branch: The branch of the Metropolitan Police Department (MPD) that transfers handguns and registers firearms for the public.

Retrieving Your Firearm from a Dealer

Under DC law, a firearms dealer cannot release a firearm to a purchaser until 10 days after the initial date of purchase. (D.C. Official Code § 22-4508) The seller will not release your firearm until you return with your approved registration certificate. Although MPD may process an application for registration in fewer than 10 days, the buyer cannot pick up the gun from the dealer until 10 days after initial purchase.

Transporting a Firearm

When transporting your firearm in a vehicle, it must be unloaded, with neither the firearm nor any ammunition readily accessible or directly accessible from the passenger compartment of the transporting vehicle. If the vehicle does not have a compartment separate from the driver's compartment, the firearm or ammunition must be unloaded and contained in a locked container other than the glove compartment or console. If you are transporting your firearm in a manner other than in a vehicle, it must be unloaded, inside a locked container, and separate from any ammunition.

Whenever in possession of a firearm, a registrant shall have in his or her possession the registration certificate, or exact photocopy thereof, for such firearm, and exhibit the same upon the demand of a law enforcement officer. (D.C. Official Code § 7-2502.08)

Do not bring your firearm or ammunition with you when you register your firearm. Please note that it is illegal to possess a magazine that holds more than ten rounds of ammunition in the District of Columbia.

FIREARMS TRANSFER AND REGISTRATION PROCEDURES IN BRIEF

Newly Purchased Firearm

To register a newly purchased firearm, the applicant must provide a completed MPD “Application for Firearms Registration Certificate” (or PD-219), that becomes your firearms registration certificate. You should request a PD-219 from MPD before you shop for a firearm. You may pick it up at MPD’s Firearms Registration Branch (FRB), request that it be mailed to you, or download it online (mpdc.dc.gov/firearms).

Part of the PD-219 must be completed by the SELLER. The seller is identified in each of the possible scenarios below.

Rifle or Shotgun

- Under federal law, you may purchase a rifle or shotgun in a state in which you do not live from a Federal Firearms Licensee (FFL). In this instance, the SELLER is whoever initially sells the firearm to you.
- You will complete the rest of the application and bring it to MPD along with all other necessary materials to complete the registration process; the FFL will hold the firearm until it is approved by MPD.
- Once the application is approved¹, MPD will notify you. You can pick up your registration certificate or request that it be mailed to you. Your registration process is then complete.
- After you get the registration certificate, bring it to the dealer to pick up your rifle or shotgun.²

Handgun

- Under federal law, a handgun purchased in a state in which you do not live MUST be transferred through an FFL in your state of residence. MPD is currently the only FFL conducting commercial transfers in the District of Columbia. The fee for this service, pursuant to D.C. Official Code § 7–2504.10(d), is \$125 per firearm.
- Once you purchase a firearm in another jurisdiction, request the original dealer to arrange to ship the firearm to MPD, which will then become the SELLER. (At the time of this publication, no FFLs in the District are providing retail sales to the public.) Contact the MPD to schedule an appointment.
- Prior to the appointment, check mpdc.dc.gov/firearms for eligibility and a list of documents required for firearms license and registration applications.
- During your appointment, MPD will provide and complete Section A of MPD’s “Application for Firearms Registration Certificate” (PD-219) and the Branch of Alcohol, Tobacco, Firearms and Explosives (ATF) “Firearms Transaction Record” (form 4473).

¹ Under DC law, the Chief of Police must approve or deny an application for a registration certificate within a 60-day period beginning on the date the Chief receives the application, unless good cause is shown, including nonreceipt of information from sources outside the District government; provided, that in the case of an application to register a firearm validly registered under prior regulations, the Chief shall have 365 days after the receipt of such application to approve or deny such application. The Chief may hold in abeyance an application where there is a revocation proceeding pending against such person or organization. (D.C. Official Code § 7-2502.07(b))

² Under DC law, a firearms dealer cannot release a firearm to a purchaser until 10 days after the initial date of purchase. (D.C. Official Code § 22-4508) Therefore, although MPD will process an application for registration in fewer than 10 days, the buyer cannot pick up the gun from the dealer until 10 days after initial purchase.

- Submit all other required materials to MPD during your appointment and pay the necessary fees (see District Government Fee Schedule under the Complete Firearms Registration Procedures section in this Guide).
- Once the application is approved³, MPD will contact you to schedule another appointment to pick up your handgun and registration.⁴

Previously Owned Firearm

To register a firearm you already own, you must file an application **immediately** after the firearm is brought into the District. You can comply with this requirement by personally communicating your intent to register the firearm to MPD before bringing the gun into the District. You must then file an application for a registration certificate within 48 hours after communicating your intent to do so.

- Please note that it is illegal to possess a magazine that holds more than ten rounds of ammunition in the District of Columbia.
- A Firearm Application Addendum-Used Firearm Explanation Form must be completed for all previously owned/used firearms. (Available online under Firearms Registration Forms at mpdc.dc.gov/page/firearms-registration-forms) This form requires information on seller/transferor and when, where, and location the firearm was obtained.
- Once the application is approved³, MPD will notify you. You can pick up your registration certificate or request that it be mailed to you. Your registration process is then complete.

³ Under DC law, the Chief of Police must approve or deny an application for a registration certificate within a 60-day period beginning on the date the Chief receives the application, unless good cause is shown, including nonreceipt of information from sources outside the District government; provided, that in the case of an application to register a firearm validly registered under prior regulations, the Chief shall have 365 days after the receipt of such application to approve or deny such application. The Chief may hold in abeyance an application where there is a revocation proceeding pending against such person or organization. (D.C. Official Code § 7-2502.07(b))

⁴ Under DC law, a firearms dealer cannot release a firearm to a purchaser until 10 days after the initial date of purchase. (D.C. Official Code § 22-4508) Therefore, although MPD will process an application for registration in fewer than 10 days, the buyer cannot pick up the gun from the dealer until 10 days after initial purchase.

COMPLETE FIREARMS TRANSFER AND REGISTRATION PROCEDURES

1. Complete MPD's **Application for Firearms Registration Certificate** (PD-219).
 - a. Download form PD-219 (mpdc.dc.gov/page/firearms-registration-forms), pick up a copy at MPD office, or contact MPD to request that a form be mailed to you.
 - b. Fill out the "Purchaser/Owner's Name" of the form. If you are buying a new gun, the SELLER of the gun will complete Section A of the form.
 - c. The form must be signed by both the purchaser and seller in the presence of each other.
2. Bring the completed PD-219 to the MPD, along with:
 - a. If you are purchasing a firearm, the dealer cannot release the firearm to you until you have completed this process and return with a valid registration certificate, and until 10 days after the initial date of purchase.
 - b. Photo identification.
 - c. Proof of residency in the District of Columbia (e.g., a valid DC operator's permit, DC vehicle registration card, lease agreement for a residence in the District, the deed to your home, or other legal document showing DC residency).
 - d. Proof that you have met the District's requirement for a firearms safety training course. This requirement can be met by producing:
 - i. A certificate of completion for MPD's online Firearms Safety Training Course. This course is available, free of charge, at mpdc.dc.gov/firearms, and takes approximately 30 minutes to complete. If you do not have access to a computer, you may use one at the office of the Firearms Registration Branch.
 - ii. Evidence that you have received firearms training in the United States military.
 - iii. A license from another state which requires firearms training equal to that provided by MPD. Examples include, but are not limited to, a license or certificate for hunting or armed service as a special police officer.
 - iv. Evidence that you have otherwise completed a firearms training or safety course conducted by a firearms instructor that, as determined by the Chief, is equal to that provided by the MPD.
3. Certify, in writing, that you are not legally blind.⁵
4. Pay the appropriate fees (see District Government Fee Schedule below).
5. Be fingerprinted for your background check.
6. If you are applying for a business bring a business license and proof of occupancy.

⁵ Pursuant to D.C. Official Code § 7-1009(1), the term "blind person" means, and the term "blind" refers to, a person who is totally blind, has impaired vision of not more than 20/200 visual acuity in the better eye and for whom vision cannot be improved to better than 20/200, or who has loss of vision due wholly or in part to impairment of field vision or to other factors which affect the usefulness of vision to a like degree. Pursuant to DC Municipal Regulations § 24-2310.5, if MPD determines there are reasonable grounds to believe that the certification is not accurate, MPD may require the applicant to obtain a certification from a licensed optometrist that the applicant meets the vision requirement.

MPD will notify you once the application is approved.

1. If you are registering a firearm that you already own, your registration process is complete. You can pick up your registration certificate or request that it be mailed to you.
2. If you are registering a firearm that you have just purchased, your registration process is complete, and MPD will contact you to schedule an appointment to retrieve the firearm.

Specific questions may be directed to the Firearms Registration Branch.

While this document and the members of the FRB aim to provide you with what you need to legally register and possess your firearm, for further interpretation or guidance, you may wish to consult with a private attorney.
