NOTES:

This juvenile arrest report contains all arrests of individuals 17 and under, excluding any arrests that have been expunged. Only the top charge is reported for each arrest.

The "Home PSA" of all arrests for which a valid District of Columbia address was given are provided. For all cases where the home address was outside the District of Columbia, the home address field was manually reviewed and marked as "OUT OF STATE". "UNK" is provided for cases where no address was reported.

The "Crime/Arrest PSA" field contains the PSA associated with the original crime where the arrest record could be matched against the original crime report (**100% in JANUARY - JUNE 2014**). Among them, for cases where the DC Moultrie Courthouse was indicated as the crime address (e.g., for Juvenile Custody Order, Failure to Appear, Fugitive from Justice, and Booking Order), "COURT" was listed as the crime PSA instead of PSA 102 (**2.9% in JANUARY - JUNE 2014**). For arrest cases without proper crime incident address (**0% in JANUARY - JUNE 2014**), it was assumed that the arrest was made at the site of the crime, and the PSA associated with the arrest location has been provided. For cases for which the Juvenile Processing Center (JPC) was indicated as the crime address (**4.5% in JANUARY - JUNE 2014**), "JPC" was listed as the crime PSA instead of PSA 505 or the arrest PSA.
