From **July 22nd to August 18th**, MPD collected data on approximately **11,600** police stops.

For Every **100 Persons Stopped**
- **80** either received a ticket or were arrested for a crime
  - **60** received a traffic ticket
  - **20** were arrested for a crime
  - **20** were stopped as part of an investigation

**70%** of the vehicles stopped for traffic violations were registered outside of the District.

**86%** of all stops were resolved without a protective pat down or any type of pre-arrest search.

**3 out of 4** were resolved in **15 min or less**.

MPD seized **136 guns** as a result of these stops.
