**NOTES:**

This report contains all arrests of individuals 17 and under, excluding any arrests that have been expunged. Only the top charge is reported for each arrest.

The "Home PSA" of all arrests for which a valid District of Columbia was given are provided. For all cases for which a street address outside the District of Columbia was reported, the HOME PSA field was marked as "OUT OF STATE". When no address was recorded, an N/A was recorded.

The Crime/Arrest field contains the PSA associated with the original crime in those cases where the arrest could be matched against the original crime report based on the original complaint number. For those cases for which no match could be made, it was assumed that the arrest was made at the site of the crime. In these cases the PSA associated with the arrest location has been provided. For cases for which the Juvenile Processing Center (JPC) was indicated (e.g. Juvenile Custody Order - Court Charge, Failure to Appear, and Booking Order), JPC was listed as the crime PSA.
