

What can I ride on city streets?

It is **illegal** to ride or operate a minibike, dirt bike, or All Terrain Vehicle (ATV) on the District's streets or sidewalks. It is okay to ride bicycles, mopeds, motorized bicycles, Segways, and motorcycles on the street, but not on city sidewalks.*

*Non-motorized bicycles and Segways may be ridden on the sidewalk in neighborhoods outside the central business district.

No matter what or where you ride, obey traffic and safety laws and yield to pedestrians. And don't forget to wear a helmet for your own protection!
