## DC PREPARES FOR NATIONAL NIGHT OUT ON AUGUST 2

On Tuesday, August 2, thousands of DC residents are expected to join with their neighbors, police officers and other community leaders in celebrating National Night Out (NNO). From community cookouts to open houses – block parties, candlelight vigils and athletic events — DC is gearing up for the 28th annual celebration of “America’s Night Out Against Crime.” The citywide kickoff will begin at 6 pm at the Deanwood Recreation Center in the Sixth District. Public safety characters McGruff the Crime Dog® and the National Knight® will be available to meet attendees and have their photos taken. In addition to the numerous activities taking place at the kickoff event, communities across DC — in all seven police districts — have scheduled NNO events during the late afternoon and evening hours.

- » For more information on National Night Out in DC, including a complete list of events scheduled to take place in the seven police districts, go to: <http://mpdc.dc.gov/NNO>.
- » Even if you can't participate in an organized National Night Out event, you can still be involved. Residents are encouraged to turn on their exterior lights on the evening of August 2 — as a show of neighborhood solidarity against crime. Learn more about NNO at: <http://www.nno.org>

National Night Out is an annual event, sponsored by the National Association of Town Watch, that takes place on the first Tuesday in August. Each year, the Metropolitan Police Department actively participates in National Night Out by rallying community members throughout the District of Columbia to join with neighbors and police officers in their PSAs to be a part of this annual event.

The National Night Out campaign involves citizens, law enforcement agencies, civic groups, businesses, neighborhood organizations and local officials from 9,500 communities from all 50 states, US territories, Canadian cities and military bases worldwide.

## DISTRICT'S YOUTH INVITED TO ATTEND TOWN HALL AT THEARC TOMORROW

Mayor Vincent C. Gray will be convening his first of several monthly Youth Town Hall Meetings this Saturday, July 30, 2011, from 11 AM to 1 PM, at the Town Hall Education, Arts and Recreation Center (THEARC), which is located at 1901 Mississippi Avenue, SE, in Ward 8.

D.C. youth, ages 21 and under, are invited to attend. This meeting is a great opportunity for youth to engage in dialogue with Mayor Gray regarding their ideas and issues of importance to them. The D.C. Youth Advisory Council, under the leadership of Cedric Jennings, is the lead planner of the town hall meetings.

## SECURE YOUR BICYCLE TO REDUCE THE RISK OF THEFT

Bicycling is a great form of exercise and it helps reduce pollution. It's fun for both adults and children. Weather you use a bicycle to get to and from school, for your daily work commute, or for exercise, it is important that you always secure it when it's not being used. In an effort to prevent thefts and to aid in the recovery of stolen bicycles, the MPD offers the following simple suggestions.

- » Invest in a quality lock and use it whenever you are not riding the bicycle.
- » Lock your bicycle in an area that is well-lit.
- » If you are not going to use your bicycle for a significant period of time, locate a place (preferably inside) where you can safely secure it.
- » Document the following information about your bicycle: make, size and serial number. Store this information in a safe place. The serial number is found underneath the bicycle between the crank arms and the bottom bracket. Keep all receipts for your bicycle, including the purchase receipt and repair receipts; these will help provide proof of ownership if your bicycle is stolen.
- » Register your bicycle with the National Bike Registry.

While bicycle registration is no longer required in the District of Columbia, the District Department of Transportation (DDOT) and the MPD strongly encourage residents to register their bicycles with the National Bicycle Registry (NBR). NBR is a service that allows you to register your bicycle by serial number in a national database. If your bike is ever stolen, it can be identified and you can prove ownership. Law enforcement anywhere can access this database. NBR also guarantees your registration. If your bike is stolen and not recovered by police within six months, NBR will register your next bike for free and the stolen bike information will remain in the database until the bike is recovered no matter how long it takes.
