

Department of Housing and Community Development DHCD (DB)

MISSION

The mission of the Department of Housing and Community Development (DHCD) is to create and preserve opportunities for affordable housing and economic development, and revitalize underserved communities in the District of Columbia.

SUMMARY OF SERVICES

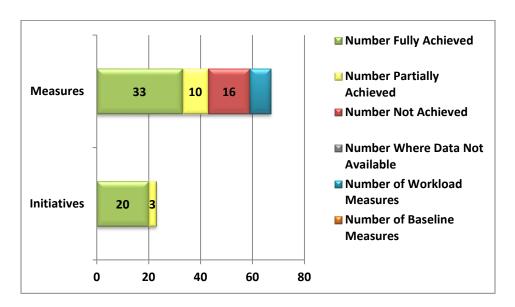

DHCD's fundamental activities consist of financial operations, administration of regulations and support of the independent Rental Housing Commission. The three strategic investments that DHCD focuses on are maintaining and increasing the supply of quality affordable housing, increasing homeownership opportunities and revitalizing neighborhoods. DHCD creates and preserves affordable housing in DC by providing low-cost gap financing and other subsidies for residential rehabilitation and construction projects. The agency funds single and multi-family projects as well as both rental and homeownership units. DHCD also finances community facilities and acquires and disposes of vacant and abandoned properties to stabilize neighborhoods and provide new homeownership and economic opportunities. The agency's residential and community services include homeownership assistance programs, housing counseling, storefront façade improvement, and small business technical assistance programs, which are provided by community-based organizations throughout DC. In addition, DHCD administers the rental housing regulations that govern condominium and cooperative conversions, rent control, inclusionary zoning, and affordable dwelling unit programs. The Affordable Housing Locator is also a service of DHCD and is available online at dchousingsearch.org. All of these programs and services can be accessed through DHCD's Housing Resource Center located in Ward 8.

ACCOMPLISHMENTS

- ✓ Despite challenging times DHCD funded 1,885 total units of affordable housing in FY2011, which is slightly higher than initially projected. This number includes units financed for acquisition, rehabilitation and new construction, as well as lead remediation and home purchase assistance units. [Job Creation]
- ✓ DHCD applied for and secured \$8,000,000 from the US Department of Housing and Urban Development through their Neighborhood Stabilization Program (Round Three) and from the HUD Office of Sustainable Housing and Communities under the Community Challenge Grant initiative. [Fiscal Stability and Job Creation]
- ✓ DHCD, through its Single Family Residential Rehabilitation Program, assisted more than thirty homeowners who experienced flooded basements, mold, cracked walls and ceilings as a result of hurricane and earthquake activity experienced in the District.

OVERVIEW OF AGENCY PERFORMANCE

Performance Initiatives – Assessment Details

Performance Assessment Key:

Fully achieved Partially achieved Not achieved Data not reported

Housing Regulation Administration

OBJECTIVE 1: Preserve and Increase the Supply of Quality Affordable Housing

INITIATIVE 1.1: Implement a Case Management Tracking System and Conduct First Lottery for Inclusionary Zoning

DHCD has a Memorandum of Understanding (MOU) in place with the Office of the Chief Technology Officer (OCTO) to implement the Case Management Tracking System. The agency is currently mapping the specific processes for the Housing Regulation Administration that will be included in the application. The first Inclusionary Zoning lottery, for two units on Georgia Avenue in Ward 4, was conducted in June 2011.

INITIATIVE 1.2: Conduct a Rent Control Study

DHCD conducted a comprehensive study of rental units in the District that are subject to rent control. The formal report, "A Rent Control Report for the District of Columbia," was released publicly in June 2011. DHCD held a press event to announce the release of the report. The report included a ward-by-ward analysis of the total number of rental units and the number of units subject to rent control, studies of the number of units in rent-controlled properties, the types of owners for rent-controlled properties and the number of properties owned by the same entity.

OBJECTIVE 2: Revitalize Neighborhoods, Promote Community Development and Provide Economic Opportunities

INITIATIVE 2.1: Expand and Enhance Housing Provider Ombudsman Education Series
In FY2011, DHCD hired a permanent Housing Provider Ombudsman. The agency has expanded the Education Series for both the Housing Provider Ombudsman and HRA in general and included an enhanced focus on providing interagency-coordinated trainings.

Rental Housing Commission

OBJECTIVE 1: Preserve and Increase the Supply of Quality Affordable Housing.

INITIATIVE 1.1: Create Standard Operating Procedures Manual.

The Rental Housing Commission has created standard operating procedures relating to internal operations. This guide will be used to both educate new commissioners and outline internal processes. The Rental Housing Commission was not in operation until February 2011. At this time, there was only one sitting Commissioner. The Commission did not have its full complement of Commissioners until August 2011. The delay in approving Commissioners was an impediment to the completion of this task.

INITIATIVE 1.2: Implement Process to Streamline Case Resolution.

The Rental Housing Commission is working to address challenges related to case resolution. The Rental Housing Commission was not in operation until February 2011. At this time, there was only one sitting Commissioner. The Commission did not have its full complement of Commissioners

until August 2011. The delay in approving Commissioners was an impediment to the completion of this task.

Development Finance Division

OBJECTIVE 1: Preserve and Increase the Supply of Quality Affordable Housing.

- INITIATIVE 1.1: Implement Tiered Target Area Investment Strategy.
 - DHCD has begun to implement a tiered target area investment strategy, as identified in the FY2011-FY2015 Five-Year Consolidated Plan. Tier One focuses on projects in Wards 5, 7 & 8 that compliment DHCD Livability Principles. Of the 21 projects funded in FY2011, 15 were in Wards 5, 7 and 8. This investment of \$22.8 million will yield 701 affordable housing units. Further, under Tier Two (high priority projects where coordination with other District agencies is developed), DHCD continued its partnership with the Department of Mental Health in FY2011 to provide housing units for DMH clients. In FY2011, DHCD funded three DMH projects, yielding 220 units and representing an investment of \$1.7 million. Many of the projects in Wards 5, 7 and 8 align with Tier Three, focus on areas of general poverty. Moving forward, DHCD will continue to see projects that align with Tier Four, distributing mixed-income housing more equitable across the city.
- INITIATIVE 1.2: Reduce Loan Delinquency and Increase Collections (Joint Initiative with PAMD). Over the past several years, DHCD has been working diligently to improve monitoring of its loan portfolio. In FY2011, DHCD increased the number of loans in good standing by 5%. Further, DHCD decreased the percentage of loans more than 30 calendar days delinquent by approximately .25%. The Department continues to conduct risk ratings, which give an indication of the risk of the developer based on prior performance (or lack thereof) and financials. However, given that audits are received during the second quarter of each year, risk ratings will typically be completed in the following fiscal year.

OBJECTIVE 2: Increase Homeownership Opportunities.

INITIATIVE 2.1: Execute First Year of Three Year Effort to Stabilize Targeted Neighborhoods through NSP2 Grant (Joint Initiative with RCSD and PADD).

DHCD used NSP2 funding to support the Department's Ivy City Special Demonstration Project, which will provide 58 units of affordable homeownership housing and could potentially double the homeownership rate in Ivy City. DHCD used NSP2 funding to leverage a land investment of approximately \$1 million, along with funding from the first and third NSP round, HOME and Unified Fund monies, to transform this community.

OBJECTIVE 3: Revitalize Neighborhoods, Promote Community Development and Provide Economic Opportunities.

INITIATIVE 3.1: Commit or Expend Awarded American Recovery and Reinvestment Act of 2009 (ARRA) Funds and Housing and Economic Recovery Act of 2008 (HERA) Funds.

DHCD received funding under HERA and ARRA. Ensuring the monitoring and reporting of HERA and ARRA funds is a DHCD priority. Funds are monitored and reported on a monthly and quarterly basis. DHCD has met all spending and reporting requirements.

Residential and Community Services Division

OBJECTIVE 1: Preserve and Increase the Supply of Quality Affordable Housing.

INITIATIVE 1.1: Execute Second Year of Three-Year ARRA Lead Hazard Reduction Demonstration Grant.

In May 2009, the US Department of Housing and Urban Development (HUD) awarded DHCD \$2.6 million in funding for lead hazard reduction under ARRA. Under the Lead Safe Washington Program (LSW), residents receive funding to identify and control lead-based paint hazards in eligible single and multi-family dwellings. DHCD combined this funding with local funds. DHCD's goal was to address the lead-based paint and lead dust hazards in housing in order to create a lead-safe environment for 170 housing units by the end of FY2012. As of February 2012, DHCD has completed 169 units and will surpass its goals for this program.

OBJECTIVE 2: Increase Homeownership Opportunities.

INITIATIVE 2.1: Expand Use of FHA Insured 203(k) Streamlined Loans (203(k) Loans) in Conjunction with the Home Purchase Assistance Program (HPAP).

DHCD implemented the Home Purchase Rehabilitation Pilot Program in October 2010, which allows HPAP buyers to use FHA's Streamline 203(k) loan program in conjunction with HPAP. This program provides HPAP buyers with an opportunity to purchase homes, which could be formerly vacant or foreclosed homes that require repairs. Utilization of the program was slow during its first year as the Department only served 6 buyers. DHCD plans to work with the network of Community Based Organizations to ensure buyers are aware of this program in its second implementation year.

INITIATIVE 2.2: Execute First Year of Three Year Effort to Stabilize Targeted Neighborhoods through NSP2 Grant (Joint Initiative with DFD and PADD).

DHCD used NSP2 funding for a temporary *Home Purchase Assistance Program Enhancement* that increased the assistance levels up to \$77,000 if buyers purchase in three targeted areas: Deanwood in Ward 7, Ivy City/Trinidad in Ward 5, and Historic Anacostia in Ward 8. DHCD provided 48 loans under this program and has expended all available funds. The Department plans to continue to fund this program using funding available under NSP3.

OBJECTIVE 3: Revitalize Neighborhoods, Promote Community Development and Provide Economic Opportunities.

INITIATIVE 3.1: Complete Overhaul of the Storefront Façade Development Process.

In FY2010, DHCD enhanced the overall effectiveness of the Storefront Façade Development program by streamlining the development process. In FY2011, DHCD continued this effort. The Department researched best practices in storefront façade development by researching similar programs in Boston and Seattle. In addition, DHCD worked to expand the program in FY2011 by adding a focus on corner stores, which can improve the appearance and safety of corners located in the interior of a neighborhood. Proposed project areas for corner store projects must: 1) include buildings facing at least two intersecting streets; 2) include buildings with commercial uses on the ground floor; and 3) be part of a neglected commercial corridor which serves a low and moderate income residential area. DHCD will continue to seek ways to improve the program.

Property Acquisition and Disposition Division

OBJECTIVE 1: Preserve and Increase the Supply of Quality Affordable Housing.

 INITIATIVE 1.1: Execute First Year of Three Year Effort to Stabilize Targeted Neighborhoods through NSP2 Grant (Joint Initiative with DFD and RCSD).

DHCD used NSP2 funding to support the Department's Ivy City Special Demonstration Project, which will provide 58 units of affordable homeownership housing and could potentially double the homeownership rate in Ivy City. DHCD used NSP2 funding to leverage a land investment of approximately \$1 million, along with funding from the first and third NSP round, HOME and

Unified Fund monies, to transform this community.

OBJECTIVE 2: Revitalize Neighborhoods, Promote Community Development and Provide Economic Opportunities.

INITIATIVE 2.1: Complete Three-Year Effort to Recapture Properties from Non-Performing Developers.

DHCD in still working diligently to recapture properties from non-performing developers. There are currently five properties where the Department is focusing its efforts. DHCD is in the midst of negotiations with the developers, attempting to recapture the properties through friendly means rather than through litigation.

INITIATIVE 2.2: Implement the Turnkey Residential Development Initiative.

DHCD implemented the Turnkey program in FY2011, where DHCD works to speed up development by rehabilitating single family properties in its portfolio and making them available for sale. The first Turnkey home, located at 514 3rd Street NE in Ward 6, recently sold. The Turnkey Initiative is a flexible program that can generate revenue through the development and sale of market rate housing, as well as develop affordable single family scattered homes. All revenue from the sales of these homes will return to the District's local funding and assist in continuing the program.

INITIATIVE 2.3: Acquire Vacant Commercial Property in Historic Anacostia.

DHCD has been working to acquire vacant commercial property in Historic Anacostia, but was not successful in these efforts during FY2011. DHCD had several deals in place that fell through. The Department is currently seeking to acquire two properties via tax foreclosure, and hopes to have success with these and other properties in FY2012.

Program Monitoring Division

OBJECTIVE 1: Preserve and Increase the Supply of Quality Affordable Housing.

INITIATIVE 1.1: Ensure ARRA Funds are Monitored and Reported.

DHCD received approximately \$70 million in ARRA funds through multiple competitive and formula grant and tax credit programs for affordable housing, including the Neighborhood Stabilization Program (NSP); Section 1602 Grants in Lieu of Low Income Housing Tax Credit Program; Tax Credit Assistance Program (TCAP); Homelessness Prevention and Rapid Re-housing Program (HPRP); Community Development Block Grant-Recovery (CDBG-R) Program and Lead Hazard Reduction Demonstration Grants. Ensuring the monitoring and reporting of ARRA funds is a DHCD priority. ARRA funds are monitored and reported on a monthly and quarterly basis. DHCD has met all spending and reporting requirements.

OBJECTIVE 2: Increase Home Ownership Opportunities.

INITIATIVE 2.1: Hold Annual Fair Housing Symposium and Conduct Analysis of Impediments to Fair Housing Choice (AI).

DHCD held the 10th Annual Fair Housing Symposium on April 28, 2011. Approximately 150 community members, industry leaders and advocates attended the event. DHCD also worked with a contractor to complete the Analysis of Impediments to Fair Housing Choice, which looks at regulations, legislation, and practices throughout the District that could directly or indirectly impact a person's choice of where they want to live. The report will be completed and released publicly in Spring 2012.

OBJECTIVE 3: Revitalize Neighborhoods, Promote Community Development and Provide Economic Opportunities.

INITIATIVE 3.1. Increase Compliance of Section 3 Program.

The Section 3 program requires contractors that receive federal funding to provide jobs and other economic opportunities to low- and very low-income persons. DHCD certifies businesses that employ low-income persons or are owned by low-income persons, which helps contractor fulfill Section 3 obligations. DHCD has been certifying Section 3 businesses since 2009 and currently has certified more than 50 businesses with 37 active businesses currently on our registry.

Portfolio and Asset Management Division

OBJECTIVE 1: Preserve and Increase the Supply of Quality Affordable Housing.

 INITIATIVE 1.1: Enhance Monitoring the Portfolio of District of Columbia Low Income Housing Tax Credits (LIHTC).

DHCD has increased its monitoring of LIHTC projects. Multi-family developers received letters requesting financing information, which is then reviewed by the asset management team. Insurance information is monitored by the servicer of Department loans. The agency continues to implement processes that will make monitoring more concise.

• INITIATIVE 1.2: Reduce Loan Delinquency and Increase Collections (Joint Initiative with DFD).

Over the past several years, DHCD has been working diligently to improve monitoring of its loan portfolio. In FY2011, DHCD increased the number of loans in good standing by 5%. Further, DHCD decreased the percentage of loans more than 30 calendar days delinquent by approximately .25%. The Department continues to conduct risk ratings, which give an indication of the risk of the developer based on prior performance (or lack thereof) and financials. However, given that audits are received during the second quarter of each year, risk ratings will typically be completed in the following fiscal year.

Office of the Director

OBJECTIVE 1: Preserve and Increase the Supply of Quality Affordable Housing.

INITIATIVE 1.1: Execute the First Year of DHCD's New Five-Year Consolidated Plan.

DHCD successfully implemented the first year of the FY2011-FY2015 Five-Year Consolidation Plan. DHCD preserved or produced a total of 1,885 housing units in FY2011, which includes special needs housing, homeownership units, rehabilitated units, new construction units and other programs. The theme of the plan is "Sustainable City, Complete Neighborhoods." DHCD uses this plan and the Six Livability Principles (provide more transportation choices, promote equitable affordable housing, enhance economic competitiveness, support existing communities, coordinate polices and leverage investment, and value communities and neighborhoods) as the roadmap for all of its activities.

OBJECTIVE 2: Increase Homeownership Opportunities.

INITIATIVE 2.1: Implement the Multi-family Tax Abatement Program.

Due to limited staff and financial resources, the Multi-family Tax Abatement Program has not been implemented and is currently tabled.

OBJECTIVE 3: Revitalize Neighborhoods, Promote Community Development and Provide Economic Opportunities.

INITIATIVE 3.1: Meet Accountability and Transparency Requirements of the American Recovery and Reinvestment Act of 2009 (ARRA).

DHCD received approximately \$70 million in ARRA funds through multiple competitive and formula grant and tax credit programs for affordable housing, including the Neighborhood Stabilization Program (NSP); Section 1602 Grants in Lieu of Low Income Housing Tax Credit Program; Tax Credit Assistance Program (TCAP); Homelessness Prevention and Rapid Re-housing Program (HPRP); Community Development Block Grant-Recovery (CDBG-R) Program and Lead Hazard Reduction Demonstration Grants. Ensuring the accountability, monitoring and reporting of ARRA funds is a DHCD priority. ARRA funds are monitored and reported on a monthly and quarterly basis. DHCD has met all spending and reporting requirements.
