Dear Mayor Bowser and Chairman Mendelson:

Enclosed, please find a copy of “District of Columbia Status Report on Replacement Schedule for Capital Assets,” which was recently completed by the Office of the Chief Financial Officer. This report provides background and relevant information on the status of developing a replacement schedule for capital assets, as required by Council legislation pursuant to the FY 2015 Budget Support Act.

The status report is intended to inform the Mayor, Council, and other senior officials on the scope of the effort required to develop the replacement schedule for capital assets, the progress made to date through the implementation of a proof of concept project tool, as well as the plan to move forward to completion of the replacement schedule for capital assets. I hope that the information contained here will be useful to both policymakers and the general public.

If you have any questions, please do not hesitate to contact me at (202) 727-0064 or you may have a member of your staff contact Darryl Street at (202) 727-1768.

Sincerely,
